

ROBUS Ultimium Connect 7W LED WiFi Downlight

ROBUS are delighted to introduce ROBUS Connect, our new cloud based smart home system that will transform the way you interact with the lighting in your home or office. By using WiFi or mobile data, you can fully control any light with the touch of a button. ROBUS Connect compatible products work without the need for a hub. The range of compatible products will be expanding over the coming months.

Phone not included

FEATURES:

- Smart device enabled. Works with IOS and Android via the ROBUS Connect App.
- Connects with IFTTT, Amazon Alexa and Google Home via WIFI with no need for a hub.
- Colour Temperature selectable through WIFI Connection allows selection between 2700-6500K

APPLICATIONS:

- All rooms in the home
- Restaurants, Bars, Clubs and other entertainment venues
